Dear Valued Customer,

We hope this message finds you well. We are writing to inform you about an important update regarding our pricing structure for aluminum products.

Due to a significant increase in the cost of raw materials, we at C&P have made the difficult decision to implement a price increase of 10% on all aluminum products. This change will take effect on 10/01/2025.

We understand that price increases can be challenging, and we want to assure you that this decision was not made lightly. We are committed to maintaining the quality of our products and services, and we believe this adjustment is necessary to continue delivering the high standards you expect from us.

We appreciate your understanding and support during this time. If you have any questions or concerns regarding this change, please do not hesitate to reach out to us.

Thank you for your continued partnership with C&P.

Sincerely,

Christopher Palmer  
Vice President of Sales  
C&P Retail Sales Solutions LLC.
