

PaperLuxe™ high quality and stylish paper containers will set your food apart and provide a memorable dining experience for your guests. The natural kraft color containers are sturdy, water and oil resistant, and made from renewable material. They are engineered to withstand handling, and to prevent bending or collapsing under pressure during transportation. The BOTTLEBOX® lids completing the look and functionality are made of post-consumer recycled PET.

- Natural kraft color paper containers, made from renewable material
- Sturdy design, made with high-quality materials to ensure strength and durability
- Customizable sizes and prints, also available in white, ideal for tailored branding solutions
- Suitable for hot and cold food
- Sleek and trendy look. Rectangular shapes for optimal shelf space
- BPA and PFAS free
