Re: Price Adjustment

Dear Valued Distributor Partner,

At Shurtape Technologies, we are committed to providing high-quality products and exceptional service at competitive prices. Unfortunately,

due to continued cost increases in raw materials, manufacturing, energy, and labor, we find it necessary to adjust our pricing.

Effective April 6th, 2026, prices on some Shurtape products will be adjusted. Hot Melt and Acrylic Packaging tapes will remain unchanged.

Updated pricing information will be available to you via Shurtape's secure Distributor Portal on Monday, March 16th. The Distributor Portal

can be accessed at www.my.shurtape.com.

We appreciate your business, understanding of the situation, and continued partnership. Should you have questions about this price adjustment,

please contact your Shurtape Sales Representative or Customer Service Representative.

Sincerely,
