Subject: Price Increase Notification – Effective April 13, 2026

Dear Mativ Partner,

Due to ongoing disruptions in global energy markets, including instability in the Middle East, which continue to drive increases in energy and fuel costs, Mativ will be implementing a 6% price increase across our product portfolio, effective April 13, 2026. New pricing will apply to all shipments on and after this date.

We recognize the impact that pricing changes can have on your business. This decision was not taken lightly, and we have worked to limit the adjustment to what is necessary to address these cost pressures while continuing to deliver the quality, reliability, and service you expect from Mativ.

Your Sales Representative or our Customer Service team are available to discuss this change or answer any questions you may have. We value your partnership and appreciate your continued trust in Mativ.

Sincerely,

Juan Toro
Senior Vice President, Commercial

A handwritten signature in black ink, appearing to read "Juan Toro", is written over the typed name and title.

Legal Notices:

- Price adjustments will apply to all shipments on and after April 13, 2026. Orders placed prior to this date will be scheduled based on standard lead times and cannot be accelerated.
- We reserve the right to limit order quantities prior to the effective date to ensure equitable supply for all customers.
