INTERCON PAPER SOLUTIONS USA / MEXICO

APRIL 29, 2026

Dear Valued Customer,

Due to ongoing inflationary pressures impacting our industry—including increases in labor, raw materials (such as pulp), energy, logistics, tariffs on additives, and broader geopolitical factors—we will be implementing a 8% price increase on all products, effective on shipments beginning May 1, 2026.

Intercon Paper remains committed to managing costs responsibly while continuing to provide the highest level of quality and service you expect from us. We have made every effort to minimize the impact of these increases and maintain competitive pricing.

We sincerely appreciate your continued business and support as we navigate these challenging and dynamic market conditions.
If you have any questions, please do not hesitate to reach out.

Sincerely,

Roy Rodriguez
CEO
