Temporary Fuel Surcharge Notice

Dear Valued Morex Customer,

Due to ongoing global disruptions impacting fuel costs and transportation, Morex Products will be implementing a temporary fuel surcharge on all outbound warehouse deliveries.

Effective 4/15/2026, the surcharge will be applied as follows:

- **\$200** for Less-Than-Truckload (LTL) shipments
- **\$400** for Full Truckload (TL) shipments

Please note that lumper fees will remain unchanged.

We understand that any increase in costs can be challenging, and this decision was made after careful evaluation of current market conditions. This surcharge is temporary; we'll review it regularly and update as needed.

We sincerely appreciate your understanding and continued partnership. Should you have any questions or require further clarification, please do not hesitate to reach out to us.

Sincerely,

Gregory T. Woods

President
