April 6, 2026

TO OUR VALUED CUSTOMERS:

Unistar is implementing a 20% increase for all products effective with shipments beginning Monday, May 4th. This increase is a result of continuing increases in plastic resin. This announcement is in addition to our price announcement of March 13th. All orders already on file for delivery beginning May 4th will also be impacted with this announcement.

Only normal monthly orders will be accepted. Your Unistar Sales Manager or Customer Service Representative can assist you in determining your monthly usage.

We appreciate and value the business that you share with us in these very unusual geopolitical times. We are committed to provide exemplary customer service efficiently.

Sincerely,

A handwritten signature in black ink, appearing to read 'Donald J. Ward', written over a horizontal line.
