

June 1, 2026

To our valued BUNN Customers:

I am writing to inform you that effective July 1, 2026, we will be increasing prices across our portfolio.

We do not take this decision lightly. Like many businesses, we have experienced rising operational costs driven by several inputs, including key materials, labor, and high energy costs. These costs remain elevated, and a price increase is necessary.

- New pricing is effective with orders placed starting July 1, 2026.
- Orders that are placed with BUNN for immediate shipment before June 30, 2026, will be honored at our current pricing.
- All other orders will be at the July 1, 2026 price.

We appreciate your understanding and continued support.

If you have any questions, please reach out to your sales representative.

Best regards,
