

Dear Valued Customer,

Thank you for your continued business and partnership with FancyHeat Corporation.

Over the past year, FancyHeat has experienced significant increases in raw material, packaging, labor, and manufacturing costs. We have worked diligently to absorb these increases and avoid passing them on to our customers whenever possible. Unfortunately, due to the continued rise in costs throughout our supply chain, we must implement a price adjustment.

The updated pricing listed below will become effective on July 1, 2026. Please note that any orders scheduled to ship on or after July 1, 2026, will be invoiced at the new pricing, regardless of when the order is placed.

We understand that price increases are never welcome news. Unlike many of our suppliers, who have implemented increases with little or no advance notice, FancyHeat has chosen to provide a 30-day notice period to allow our customers adequate time to plan and prepare.

To ensure fair treatment of all customers and maintain product availability, orders placed prior to July 1, 2026, will be reviewed against historical purchasing patterns. Orders that significantly exceed normal purchasing volumes or appear to be intended solely to avoid the upcoming price increase may be subject to review and may not be accepted.

We sincerely appreciate your business and continued partnership. FancyHeat remains committed to providing the quality products, service, and reliability you have come to expect from us.

If you have any questions regarding this pricing update, please do not hesitate to contact your Account Manager, Chris Diasparra.

Thank you for your understanding and continued support.

Jennifer Fitzgerald
