ENJAY DISTRIBUTION PARTNERS

Over the past number of months, North American Board and Linerboard Mills have announced price increases on raw materials. These increases, combined with escalating costs of fuel, transportation, adhesive, wages, as well as general inflationary factors all have a major impact on the products we manufacture.

Please note that all orders Shipped after August 1, 2026 will be subject to a 6.5 % increase.

Please review your needs and place your orders accordingly. We recommend getting ALL orders into our Order Desk prior to JULY 17th to ensure we meet the Shipping Deadline of AUG 1, 2026.

We understand this is a very challenging, unpredictable market with MANY factors at play. This letter provides approximately 6 weeks notice – to place orders, with an 8 week window to ship.

As we enter our 44th year in business, we understand that these are difficult times for many businesses in this environment. We appreciate your support and please understand, that your business is very important to us.
