# PAPER CUPS AND DELIS AND THEIR LIDS

BIONATURE® is born from the commitment to develop sustainable processes that take care of the environment, and is the first generation of compostable disposable products in the Caribbean and Central America.

We continue to expand our offer of single-use sustainable products made from paper raw materials, guaranteeing maximum hygiene.

A new line designed for optimum resistance to hot and cold temperatures. Ideal for restaurants, cafes and other businesses.

## HOT PAPER CUPS AND LIDS
