Subject: Updated U.S. Tariff on Imports from the Dominican Republic – Effective Today

Dear valued costumer,

As a result of the latest tariff adjustment announced by the U.S. Government (July, 23rd, 2026), the tariff on products originating from the Dominican Republic has increased from 10% to 12.5%, effective today

To continue providing you with the same level of service, Plastifar has decided not to modify our Incoterms. We will continue to include the tariff and related import expenses on your regular invoice, where they will appear as a separate line item.

Please find below the key information:

- **Reason:**

Increase in the U.S. Government tariff on products manufactured in the Dominican Republic from 10% to 12.5%, effective today.

- **Affected Products:**

All Plastifar and Bionature products

- **What will be added to your new invoices:**

A charge equivalent to 12.5% of the merchandise FOB value, replacing the previous 10% tariff.

- **Incoterms:**

Plastifar will continue to provide the same service under DDP (Delivered Duty Paid) terms. will continue delivering your orders directly to your warehouse, covering the import duties at customs. The corresponding 12.5% tariff, calculated based on the FOB value of the products, will be reflected as a separate line item on your invoice.

- **Transparency and Communication:**

We remain committed to keeping you informed of any changes that may affect your business and to maintaining clear and transparent communication.

- **Shipments in transit:**

For shipments that were invoiced before the effective date of this tariff increase but clear U.S. Customs on or after today, Plastifar will initially cover the additional duties and related expenses. These charges will subsequently be billed separately through an additional invoice.

Please note that this tariff adjustment is a measure implemented by the U.S. Government and applies to imports from the Dominican Republic. We appreciate your understanding and continued partnership as we adapt to these regulatory changes.

Thank you for your continued trust and support.

Sincerely,

Administration Department
Plastifar S.A
