

June 22, 2026

Dear Valued Customer,

Due to a sustained rise in raw material costs, SCT finds it necessary to implement a price increase on all stock and custom corrugated items as outlined below. This adjustment applies exclusively to corrugated products, meaning prices for paperboard and folding cartons will remain unchanged. A complete list of the affected stock items is available on pages 2 and 3 of this notice. Please note that the new pricing will take effect for all deliveries and pickups occurring on or after August 16, 2026, regardless of when the order was originally placed.

Price Increase

- All Stock and Custom Corrugated Items: 10%

To maintain an equitable supply for all partners, please do not exceed your historical order quantities at this time. We are therefore unable to accommodate advance buy-in orders, above and beyond historical demand, before the effective date.

Regarding your specific account details, stock customers can expect to receive an updated price list via email from their Account Manager within the next few weeks. For our custom accounts, your dedicated SCT Account Manager will contact you directly to review your specific pricing.

We deeply appreciate your business and your continued partnership. Please rest assured that the team at SCT remains fully committed to driving operational efficiencies and containing costs wherever possible. If you have any questions, we invite you to reach out to your local Account Manager.

Sincerely,

Sincerely,

Ross Farren
Sr. Director of Sales
