To our Valued Customers,

I am writing today to inform you of unprecedented cost increases our suppliers are demanding. In forty years in this industry, I have never received back-to-back price increases of this magnitude. Some suppliers are forecasting shortages in the natural kraft grades attributed to both increased demand and constrained supply. We have not experienced that to date.

Customers are cautioned that these increase levels are approximate. In instances where we have volume deviated prices, some increases could exceed the amounts listed below. Your Gordon Paper sales rep will send you up to date price listings with the exact amount of the increase.

Virgin Kraft	10%
Recycled Kraft	10%
Gray Bogus Paper	10%
DEM & DEB Indented Paper	6%
Linerboard	5%

Customers may place orders for usual and customary quantities for most stock items at existing prices until September 30, 2026. Some large deviated custom orders will be subject to new prices immediately due to constraints placed upon us by our suppliers. We cannot honor orders for delayed shipments at old prices. If you have any further questions, please feel free to contact me or your sales rep. Thank you in advance for your continued support of Gordon Paper.

Sincerely,

Steven J. Gordon
