September 1st, 2026

Dear Valued Customer,

We greatly appreciate your continued partnership and support.

Due to ongoing increases in raw material, energy, and transportation costs, we will be implementing a 3-8% price increase effective September 30th, 2026.

These rising costs have significantly impacted several product categories, but the categories impacted will be cutlery and portion cups.

While we have worked diligently to minimize the impact of these market conditions, this adjustment is necessary to continue providing the quality products and reliable service you expect.

We sincerely value your business and appreciate your understanding. If you have any questions or concerns, please do not hesitate to contact us.

Thank you for your continued support

Sincerely,

Gregory T. Woods
President/North America
