## Price Change Announcement

*Effective November 16, 2026*

Dear Valued Customer,

We are writing to inform you of an upcoming pricing adjustment impacting all product categories.

Due to increased freight, logistics, and other manufacturing expenses, we are experiencing significant cost pressures across our operations. As a result, we will be implementing the following price increase, effective November 16.

| | |
|---|---|
| ACR/Ross & Wallace Paper Bags | 12% |
| All Products (including McNairn) | 5% |

Important Considerations:

- All contracted business will increase per the terms of your agreement.
- Orders placed prior to November 16, 2026, will be honored at the existing price levels, providing the order specifies immediate delivery and quantities do not exceed a normal thirty (30) day supply.

We have worked diligently to mitigate these impacts wherever possible; however, the speed and magnitude of these cost increases make this adjustment necessary to ensure continued supply reliability and product quality.

Your ACR sales representative will be reaching out shortly with updated pricing details specific to your items. In the meantime, please do not hesitate to contact your representative with any questions or to discuss your specific needs.

We appreciate your continued partnership and understanding as we navigate these challenging market conditions together.

Sincerely,

Brandon Clairmont
Chief Commercial Officer, ACR
