

Murtle Market Online Store Coordinator

Murtle Market is a public facing Social Enterprise where children and young people can directly or indirectly be involved in delivering an organic and sustainable store. Local and seasonal produce will be offered, as well as refilling schemes for dried food and environmental friendly cleaning products. This store will also be a place where products and services created at the craft, land-based, training kitchen and the bicycle maintenance workshop can be found.

Post:	Murtle Market Online Store Coordinator
Service:	Day Service
Line Manager:	Sustainable Development and Social Enterprise Lead
Salary Range:	£13.50 per hour
Hours:	25 hours per week. 1 year fixed contract.

Our Vision: To create an inclusive space that offers meaningful work opportunities, celebrates our heritage, and reflects our mutual respect for each other and the environment.

Our Mission: Murtle Market promises to provide the development of skills, meaningful work opportunities and place of authenticity for children and young people with learning disabilities and complex additional support needs.

A venture to showcase our local seasonal organic produce, zero waste principals and sustainable heritage, arts and crafts.

A place to connect with our community, engage with sustainable living practices and our ethos of learning through doing.

All brought to you by Camphill School Aberdeen – Be part of our journey to care for each other and the environment.

Murtle Market Online Store Coordinator

Purpose of the role:

To join a new team as part of a training, skills development and sustainability store that will help young people with additional support needs develop skills for life and reach their full potential.

To help develop and maintain Murtle Market (CSA's Social Enterprise) in general.

The successful candidate will coordinate order preparation and carry out delivery of Murtle Market's emerging online store out to the local community (Cults to Peter Culter).

To keep all areas of work organised and up to the standard set by Environmental Health.

To maintain effective collaborations with members of the local community, as well as internally with the wider team, to identify and grow future opportunities.

General Responsibilities

- Provide practical support to the development of new online enterprise activities.
- Support and mentor students and other members of the team around the online store dynamic, this is inclusive of deliveries.
- Communicate regularly and effectively with students, colleagues and customers.
- Be part of the wider Learning for Life Day Services team (Social Enterprise).
- Develop and maintain good working relationships with customers.

Key Responsibilities

- Ensure the online store runs efficiently and professionally, with attention to detail to accurate order preparation and delivery.
- Contribute with the team to help assess the needs from students and their progress.
- Promotion of Murtle Market when out in the wider community.
- Help create and maintain a nurturing and safe learning environment for young people.
- Follow guidance in place to uphold the highest standards of environmental health and safety.
- To maintain and rotate stocks on shelves in liaison with the wider MM team.
- Ability to use and epos system and generate reports when required.
- To carry out delivery of orders, in the company of students (when suitable) or on their own, to the local community.
