OVERNIGHT CAMP OVERVIEW

ENTERING GRADES 1-12

The YMCA has been the leader in summer camp for over 130 years. Summer camp experiences are transformational! Campers will spend their time at camp building friendships and learning new skills through adventure and exploration, all while discovering the Y's values of caring, honesty, respect, and responsibility. There is no place like camp to discover who you are and the gifts you have to share.

CAMP GOALS

Achievement – Campers gain confidence and discover their strengths by trying new activities, stepping outside their comfort zones, and achieving new skills.

Relationships – Campers will make new connections and build lifelong relationships with other children, camp counselor role models and other caring adults, providing a true sense of belonging in a supportive, encouraging community.

Belonging – Finding a place to belong, campers will find a true sense of belonging through meaningful traditional and rituals that foster inclusion, acceptance and a strong camp community!

OUR STAFF

Counselors are carefully chosen for their maturity, strong values, and ability to be positive role models. Each counselor is assigned to a specific cabin, providing dedicated leadership, guidance, and a responsible, caring presence for every camper.

Camp has an onsite health station with dedicated Health Aides to support camper well-being. They provide basic first aid, assist with medication administration, and help ensure campers stay healthy and cared for throughout their time at camp.

All camp staff receive more than 60 hours of training, including CPR, first aid, child abuse prevention, water safety, camp fun, and more. Additionally, the YMCA performs background checks on all counselors and Y staff.

OUR CABINS

Campers and counselors join together in small, close-knit cabin groups by grades and gender. Here is where lasting friendships are formed, exciting adventures begin, big ideas are shared, and laughter fills the air. They eat together, play together, and spend most of the day together. Whether campers come alone to make new friends or with a couple of buddies, they'll leave with lasting friendships formed through shared fun and unforgettable moments.

Cabins accommodate 12-15 campers, depending on the age group. Each cabin is led by at least two camp counselors who stay with the campers and guide them throughout the day.

SESSION INFO

WHAT'S THE DIFFERENCE BETWEEN OUR SESSIONS?

All of our sessions include the same base elements: food, lodging, and activities. Campers stay in cabins with peers of similar age and participate in a variety of activities throughout the day, along with engaging evening programs.

2-Night Sessions (Entering grades 1-3): These sessions offer a chance to try camp without a full-week commitment. Campers stay Sunday-Tuesday or Wednesday-Friday, enjoy a sampling of activities, and are led by cabin counselors who guide all activities.

4-Night Sessions (Entering grades 2-9): These full-week sessions (Monday-Friday) give campers the opportunity to experience the full range of camp activities.

5-Night Sessions (Entering grades 2-11 including Leaders in Training): Not enough time at camp? This extended session (Sunday-Friday) includes all camp activities, plus an extra day for more in-depth experiences.

Financial assistance is available to help ensure everyone has the opportunity to attend camp.

Paired with a cabin, CREW will receive guidance, build meaningful connections with staff, and gain the skills needed to succeed in future camp roles. This program is perfect for those who are aspiring to become camp staff in the coming years.

THE IMPACT OF CAMP

WHAT FAMILIES ARE SAYING

“There really are no words to describe the joy my kids experience at Overnight Camp. From the staff, fellow campers, food, and fun – they love it all. Having this unique opportunity to take a break from “normal life” and get to indulge fully in having fun and being a kid is like nothing I’ve ever personally experienced and I’m so grateful that my kids get to make these memories.”

“Overnight Camp was life changing for him. It was everything I had hoped it would be for him. Memories to last a lifetime!”

“They got to meet new kids and bond with them over camp week. They met adults who were cool and supportive. They got to be independent and make choices independent of their siblings/parents preferences. It’s a one-week break from reality, which is so incredible for them.”
