WEATHER POLICY

Thunder and Lightning

The pool will be closed when there is any thunder or lightning in the vicinity. We will reopen 30 minutes after the last sound of thunder or sight of lightning.

Heavy Wind

If winds pose a risk to the safety of guards or swimmers, the pool will be closed until conditions improve and are deemed safe for everyone.

Rain

Heavy rain that affects visibility will result in the pool closure until visibility returns to acceptable levels.

Programs

Always assume that your scheduled program is taking place. Make-up sessions for programs will only be provided if we cancel the event.
