

Safety Reimagined

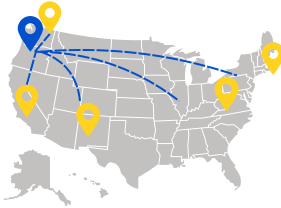

Living independently was never this easy!

- 
 No Camera
- 
 No Audio
- 
 No Wi-Fi
- 
 No Wearable

Pet-friendly sensor detects human activity & communicates out to your people.

*"I'm glad I have Hello Everyday, **not for me** but for my children who want to know that I'm still around and nothing has happened."*

Bridging the distance between family & friends

Elmer, 93 year old dad who lives alone
