Testimonial

*"I'm glad I have Hello Everyday,
not for me but for my children
who want to know that I'm still
around and nothing has
happened."*

**Cost-
effective
Option**

**Everyday safety at a
fraction of the cost of
competitors.**

How it works:

- 1 Plug it in. On in seconds.
- 2 Set up contacts (family, friends, caregivers)
- 3 Sensor detects human presence without disruption.
- 4 Keep up to 5 contacts informed automatically with text/email.

It's that simple!
