

Hello Everyday

Home sensor detects activity and communicates out to your circle.

Safety & security for living alone

Non-intrusive, privacy preserving

Give everyone peace of mind —without complexity.

Safety reimagined. Independent living made easy!

Safety supports

Home safety that doesn't rely on a button or user to act.

- Protects pets for when the unexpected happens
- Always on in the background
- Preserves privacy and independence
 - ⇒ No camera
 - ⇒ No listening device

Smart notifications

- Communication system for:
 - ⇒ Morning activity checks
 - ⇒ Evening inactivity
 - ⇒ Plus optional: Immediate alerts

Set up to 5 contacts

Reduce worry for family & friends. Reassure them that you're up & around effortlessly.

Customizable insights

- Communication options to fit your connections
 - ⇒ Alerts only
 - ⇒ One discreet check-in each day
 - ⇒ Detailed, proactive care
- Coordinate support with accessible dashboard

Simple Setup

- Just plug it in. No Wi-Fi set up needed. No app password to remember.
