

Hello Tunes

Simple Music & Safety Support for Loved Ones with Cognitive Challenges

“ Hello Tunes has had a significant impact on Steve. He listens to 4-6 hours of music a day. It's put him more at ease. The time & reminder announcements created more structure & less confusion. ”

—Louise, Steve's wife & caregiver

Bring comfort through music they recognize.

Create structure with simple, friendly reminders.

Give everyone peace of mind —without complexity.

Gentle Daily Guidance. Engagement. Safety. Independence.
