

## Pro Outboard Hose Kits

This premium outboard hose kit is designed for exceptional performance and durability. The fittings are made of stainless steel, making them ideal for saltwater applications. Available in a wide range of lengths, it ensures consistent system operation while offering first-rate kink and abrasion resistance.

Part no.	Description
40-0116-074	Stainless Steel Pro Hoses 2FT
40-0116-075	Stainless Steel Pro Hoses 3FT
40-0116-076	Stainless Steel Pro Hoses 4FT
40-0116-077	Stainless Steel Pro Hoses 5FT
40-0116-078	Stainless Steel Pro Hoses 6FT
40-0116-079	Stainless Steel Pro Hoses 8FT
40-0116-080	Stainless Steel Pro Hoses 10FT
40-0116-081	Stainless Steel Pro Hoses 12FT
40-0116-082	Stainless Steel Pro Hoses 14FT
40-0116-083	Stainless Steel Pro Hoses 16FT
40-0116-084	Stainless Steel Pro Hoses 18FT
40-0116-085	Stainless Steel Pro Hoses 20FT
40-0116-086	Stainless Steel Pro Hoses 22FT
40-0116-087	Stainless Steel Pro Hoses 24FT
40-0116-088	Stainless Steel Pro Hoses 26FT
40-0116-089	Stainless Steel Pro Hoses 28FT
40-0116-090	Stainless Steel Pro Hoses 30FT

## Main features

Custom multi-layered composite design with kevlar reinforcement for strength, rated up to 1500 psi	Engineered to provide your steering system with very low thermal expansion properties	Designed to exceed SAE and ABYC specifications and provide precise steering control not achievable with hydraulic industry standard hoses
Kink and abrasion resistant	Factory swaged stainless steel fitting connection with an O-ring seal	Metal-to-metal backup to the primary seal
