

## Propellers

Our propellers are engineered for serious performance. Crafted from premium stainless steel, they deliver exceptional durability and thrust efficiency, whether you're navigating harsh offshore conditions or cruising in calm waters. Designed with commercial-grade reliability in mind, each propeller is fine-tuned to ensure smooth, consistent operation across a wide range of marine environments. Built to endure. Built to perform.

Part no.	Description	Blades	Pitch	Diameter
40-0160-140	Solas Rubex L4+ RH (Right Hand)*	4	18"	16"
40-0160-141	Solas Rubex L4+ LH (Left Hand)*	4	18"	16"
40-0160-142	Solas Rubex L3+ RH (Right Hand)*	3	19"	16"
40-0160-143	Solas Rubex L3+ LH (Left Hand)*	3	19"	16"
40-0160-144	Solas Rubex L3+ RH (Right Hand)*	3	17"	16"
