

"...cities where the poor live in dignity, meeting basic needs at scale"

## CALL FOR SUPPLIERS

### Supply and Delivery of Construction Materials – Gitathuru Solid Waste Segregation Point Construction, Mathare, Nairobi.

**Submission Deadline: 20<sup>th</sup> May, 2026**

#### 1. Introduction

SDI Kenya is a non-profit organization that exists to shift power so that urban poor communities can plan, negotiate, and drive their own development with dignity. Our work is participatory, incremental, and data-driven, centered on community contributions and leadership. SDI Kenya shares Muungano wa Wanavijiji's vision of creating inclusive cities, where low-income communities have access to adequate housing and services, enabling them to live with dignity.

Shack Dwellers International Kenya (SDI Kenya), in collaboration with Muungano wa Wanavijiji, Nairobi City County Government and local community in Mathare, is implementing the Gitathuru Solid Waste Segregation Point.

To support the construction of this climate-resilient, inclusive and community-led facility, SDI Kenya invites qualified and registered suppliers to submit proposals for the supply and delivery of construction materials as per the approved design and Bill of Quantities (BoQ).

#### 2. Scope Of Supply

Suppliers will be required to provide and deliver materials, including but not limited to:
