Maybe not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you, or to give you advice about your insurance needs. We will ask you for the details that we need to know.

In some cases, we will not ask for any of this information. You should read the warnings contained in any SOA, or any other warning that we give you, carefully before making any decisions about an insurance policy.

Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. At renewal we may review your insurance however, in some cases we may automatically renew your insurance to ensure you continue to be covered. This renewal will not take into account any changes to your current financial situation or personal objectives or needs that you have not informed us of.

Contractual Liability and your insurance cover

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.

In some cases, we may also charge you a broker fee. This will be shown on the invoice that is sent to you.

The invoice provides methods of payment for our services and details of payment terms (7 days). AJS Holding Co Pty Ltd pays the commission and broker fees to their Authorised Representatives after deducting a management fee.

AJS Holding Co Pty Ltd will retain the commission from the premium you pay and remit the balance to the insurer in accordance with AJS Holding Co Pty Ltd's arrangement with the insurer. Any charges will be agreed with you before we provide the service so you always know how much you will be required to pay.

How are any commissions, fees or other benefits calculated for providing the financial services?

Our commission will be calculated based on the following formula:

$$P \times Y\% = X.$$

In this formula:

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Y% = the percentage commission paid to AJS Holding Co Pty Ltd by the insurer

X = AJS Holding Co Pty Ltd commission. AJS Holding Co Pty Ltd commissions varies between 0% and 30%.

We may also charge you a broker dee in addition to commission when you enter into an insurance policy. The amount of the fee will depend on the complexity of the services we are providing. The amount of any broker dee charged will be shown on your invoice.

AJS Holding Co Pty Ltd deducts a management fee of between 0% and 22.5% from the total commission and broker fee received and pays the remainder of the broker fee to their authorised representatives.

Our employees that will assist you with your insurance needs will be paid a market salary and may also receive a performance bonus based on both the value and quality of the work they do for our clients.

Where a third party has referred you to us, we may share part of our fees/ commission with them or pay an agreed referral rate. If we do, we will pay commissions to these people out of the commissions and fees applicable and not in addition to those amounts and in the range of 0% to 50% of our commission or fees.

If AJS Holding Co Pty Ltd or their Authorised Representatives gives personal advice, we will inform you of any fees, commission or other payments, we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

See below for information on the Steadfast association and commission.

Do we receive non-monetary benefits for providing the financial services?

While providing services to you, we may receive non-monetary remuneration from insurers, underwriting agencies and third parties. This can include access to technology platforms and IT support, education and training, event sponsorship and marketing assistance. We do not accept non-monetary remuneration if this could reasonably be expected to influence the services that we provide to you.

Do we have any relationships or associations which might reasonably influence us?

Insurer Relationships

AJS Holding Co Pty Ltd sometimes enter into specific arrangements with a limited number of insurers (e.g. binders or schemes) where we receive fees or other remuneration for the development of insurance solutions or the growth of various insurance portfolios. The remuneration AJS Holding Co Pty Ltd receives from these arrangements is variable and is determined by the profitability of the recommended insurance products.

We will only recommend these products where they meet your needs and are in your best interests. Any such relationship is managed under AJS Holding Co Pty Ltd's conflicts of interest policy which all staff and representatives must comply with. If we cannot provide services to you due to a conflict of interest that cannot be managed, we will notify you immediately. Where there may be a conflict of interest, we will contact you in a timely manner and clearly inform you that there may be a conflict of interest.

We work closely with a range of insurers and underwriting agencies to arrange high quality benefits, competitive pricing and superior service levels for our clients. Wherever possible we will recommend that clients deal with insurers that are authorised under the Insurance Act 1973 (Cth) to carry on insurance business in Australia and are subject to oversight by the Australian Prudential Regulation Authority.

We will warn you when we recommend an unauthorised foreign insurer. Some insurers give other benefits such as sponsorship of annual conferences, training and invitations to social business functions. These benefits may change from year to year. The receipt of these benefits may be based upon the volume of business placed with the provider but may also be more of an ad hoc reward.

Occasionally we may also receive small gifts and gratuities. It is AJS Holding Co Pty Ltd's policy that gifts or gratuities may be accepted only if they are of an incidental nature. These amounts are not additional costs to you. Despite the existence of any incentive, any decision to place business with such an Insurer will be based on the fact that this provides the best solution for you and not based on consideration of any incentive entitlement. AJS Holding Co Pty Ltd may pass any incentive received on to their employee and or Authorised Representatives.

If you instruct us to arrange premium funding for you, this is when we become entitled to the commission.

Commission rates for premium funding are usually in the range of 0 to 3% of funded premium.

When we arrange premium funding for you, you can ask us what commission rate we are paid for that funding arrangement compared to the other arrangements that were available to you.
