

Nissan Program Information:

CNLA and Nissan Canada have partnered to offer members nationwide a competitive discount program on purchases or leases of new or unused FCA /Stellantis vehicles.

How it works:

- Members are encouraged to notify their Fleet manager or Fleet salesperson that they are Canadian Nursery Landscape Association (CNLA) members eligible for Competitive Assistance or Fleet Assistance.
- The CNLA program offers highly competitive benefits, but cannot be combined with other incentives.
- CNLA will provide the sales representative with a confirmation letter verifying membership, ensuring members receive discounts at the dealership.
- A small administration fee applies—**\$200 per purchase for CNLA Members** and **\$400 for FIHOQ, ISAO, and Flowers Canada Growers Ontario members**. This fee must be paid to CNLA before the confirmation letter is issued.
- **IMPORTANT:** It is highly recommended that members confirm and apply for their discount before completing their purchase.
