About This Course

Unlock the beauty and depth of the Quran by learning the language it was revealed in. This beginner-friendly programme uses the renowned Madinah Arabic Book Series by Dr V Abdur Rahim, a tried and tested curriculum used worldwide in Islamic universities. Through a step-by-step approach, we will begin reading and understanding Arabic sentences starting with simple vocabulary and gradually moving towards more complex expressions, all while keeping the Quran as our central reference point.

Target Participants

Learners who can read the Quran in Arabic and want to understand its meaning more deeply.

Objective

To equip learners with the foundational skills to understand and appreciate the Quran in Arabic.

Learning Methodologies

1

Interactive Lessons

We begin with Book 1 of the Madinah Series focusing on core vocabulary, sentence structures and grammar in an easy to grasp manner.

2

Quranic Context

Examples and practice passages will be drawn from the Quran to strengthen recognition and retention.

3

Engaging Activities

Group exercises, speaking practice and comprehension drills to make learning active and enjoyable.

4

Steady Progression

Each lesson builds on the last ensuring you move from basic understanding to confidently reading and grasping formal Arabic (fusha).

Learning Outcomes

By the end of the course, you will be able to:

- Recognise and understand a range of Quranic vocabulary.
- Comprehend the meaning of simple Arabic sentences and verses.
- Begin to read the Quran with a deeper appreciation and personal connection.
- Build a solid foundation for further Arabic studies.
