How to get SALES from LinkedIn →

A person's arm is visible on the left side of the frame, resting on a table. The background is blurred, showing what appears to be a retail or office environment with shelves and a sign that partially reads 'PU'.

I don't actually make any sales, but my actions do! I discovered eight things you need to understand in order to put actions into place that ACTUALLY score you sales!

These are those 9 things...

1. What your target clients are asking for

2. What you offer and why it helps them

**3. How you offer it:
why you're different**

**4. Why you do it.
What's your purpose?**

6. How to communicate to them the best

7. How to empathise with them most of all

**8. How to tell your story
in a compelling way**

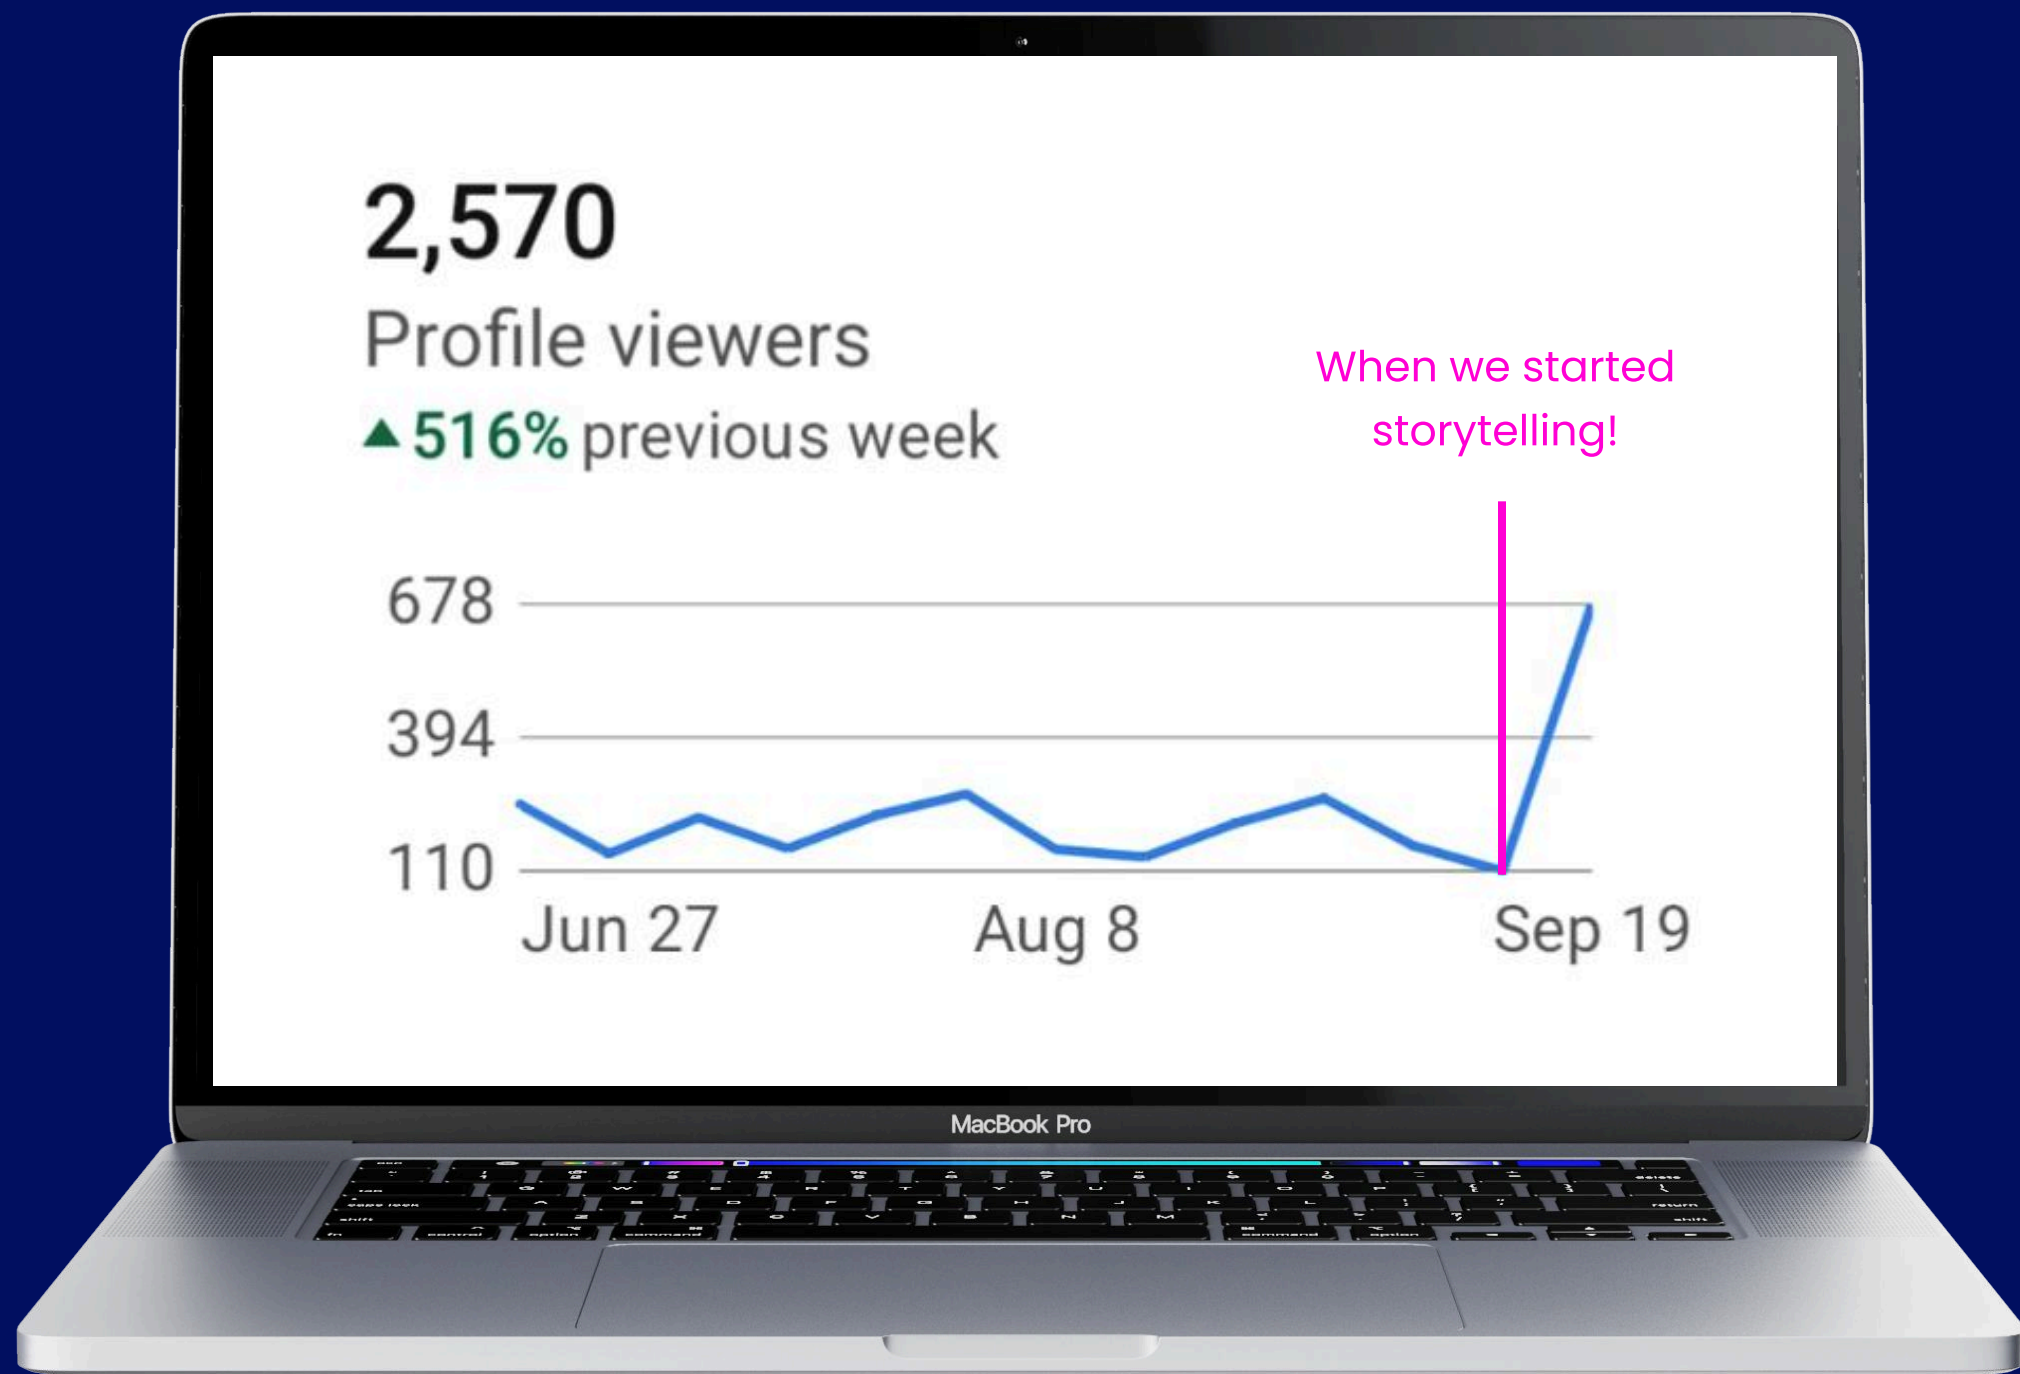

9. What your target client actually wants
