

Moto Moto – A DJ & Producer couple from Leipzig

With a shared passion for Peak Time Techno, E.V.A and Moritz Sachse, the dynamic DJ and producer duo from Leipzig, fascinate the electronic music scene with their unique blend of melodic breaks, rolling basslines, and powerful beats. Known for their high-energy sets, they take audiences on euphoric journeys that transcend the dancefloor.

What makes them truly stand out is their ability to channel the magic of their personal connection directly into their music. Together, they create a unique atmosphere during their sets, turning the dancefloor into a space filled with energy, emotion, and unforgettable moments. Their talent has taken them to renowned clubs such as Sisyphos in Berlin, Bahnwärter Thiel in Munich and **OXA Beach** on Koh Phangan, Thailand.

As co-founders of the **Leider 9 collective** in Leipzig and active members of the justgoodvibz collective in Allgäu, Moritz and E.V.A are deeply rooted in the electronic subculture. Their music reflects not only their technical expertise but also their shared values of creativity, inclusivity, and community.

Moritz has already made a name for himself internationally with releases on acclaimed labels such as **EXTIMA**, **Set About** and **Mobilee**, showcasing his talent for crafting compelling tracks. His remix of "Mind on Fire" for the renowned band **Orange** further underlines his versatility and artistry.

Since 2023, the duo has spent increasing time together in the studio, channeling their chemistry into their music. Their upcoming releases promise to deliver the same intensity and depth that define their performances, making them a rising force in the global techno scene.
