CLIENT SPOTLIGHT

Don Forbes - Senior Director of Trading - BetMGM

“They are very receptive, which has fostered a strong relationship with us here at BetMGM. OpticOdds actively seeks our feedback with an open mind. They're not stuck in old wagering habits — they're pros with a real passion for sports data.”

Jason Shaprio - Principal, Gaming Operations - Vivid Picks

We access the best markets, the best prices, and the best odds - essentially in real time. This is huge for any company, but especially for smaller trading teams like ours.”

SPORTSBOOK API

Real-Time Sports Betting API & Push Feeds

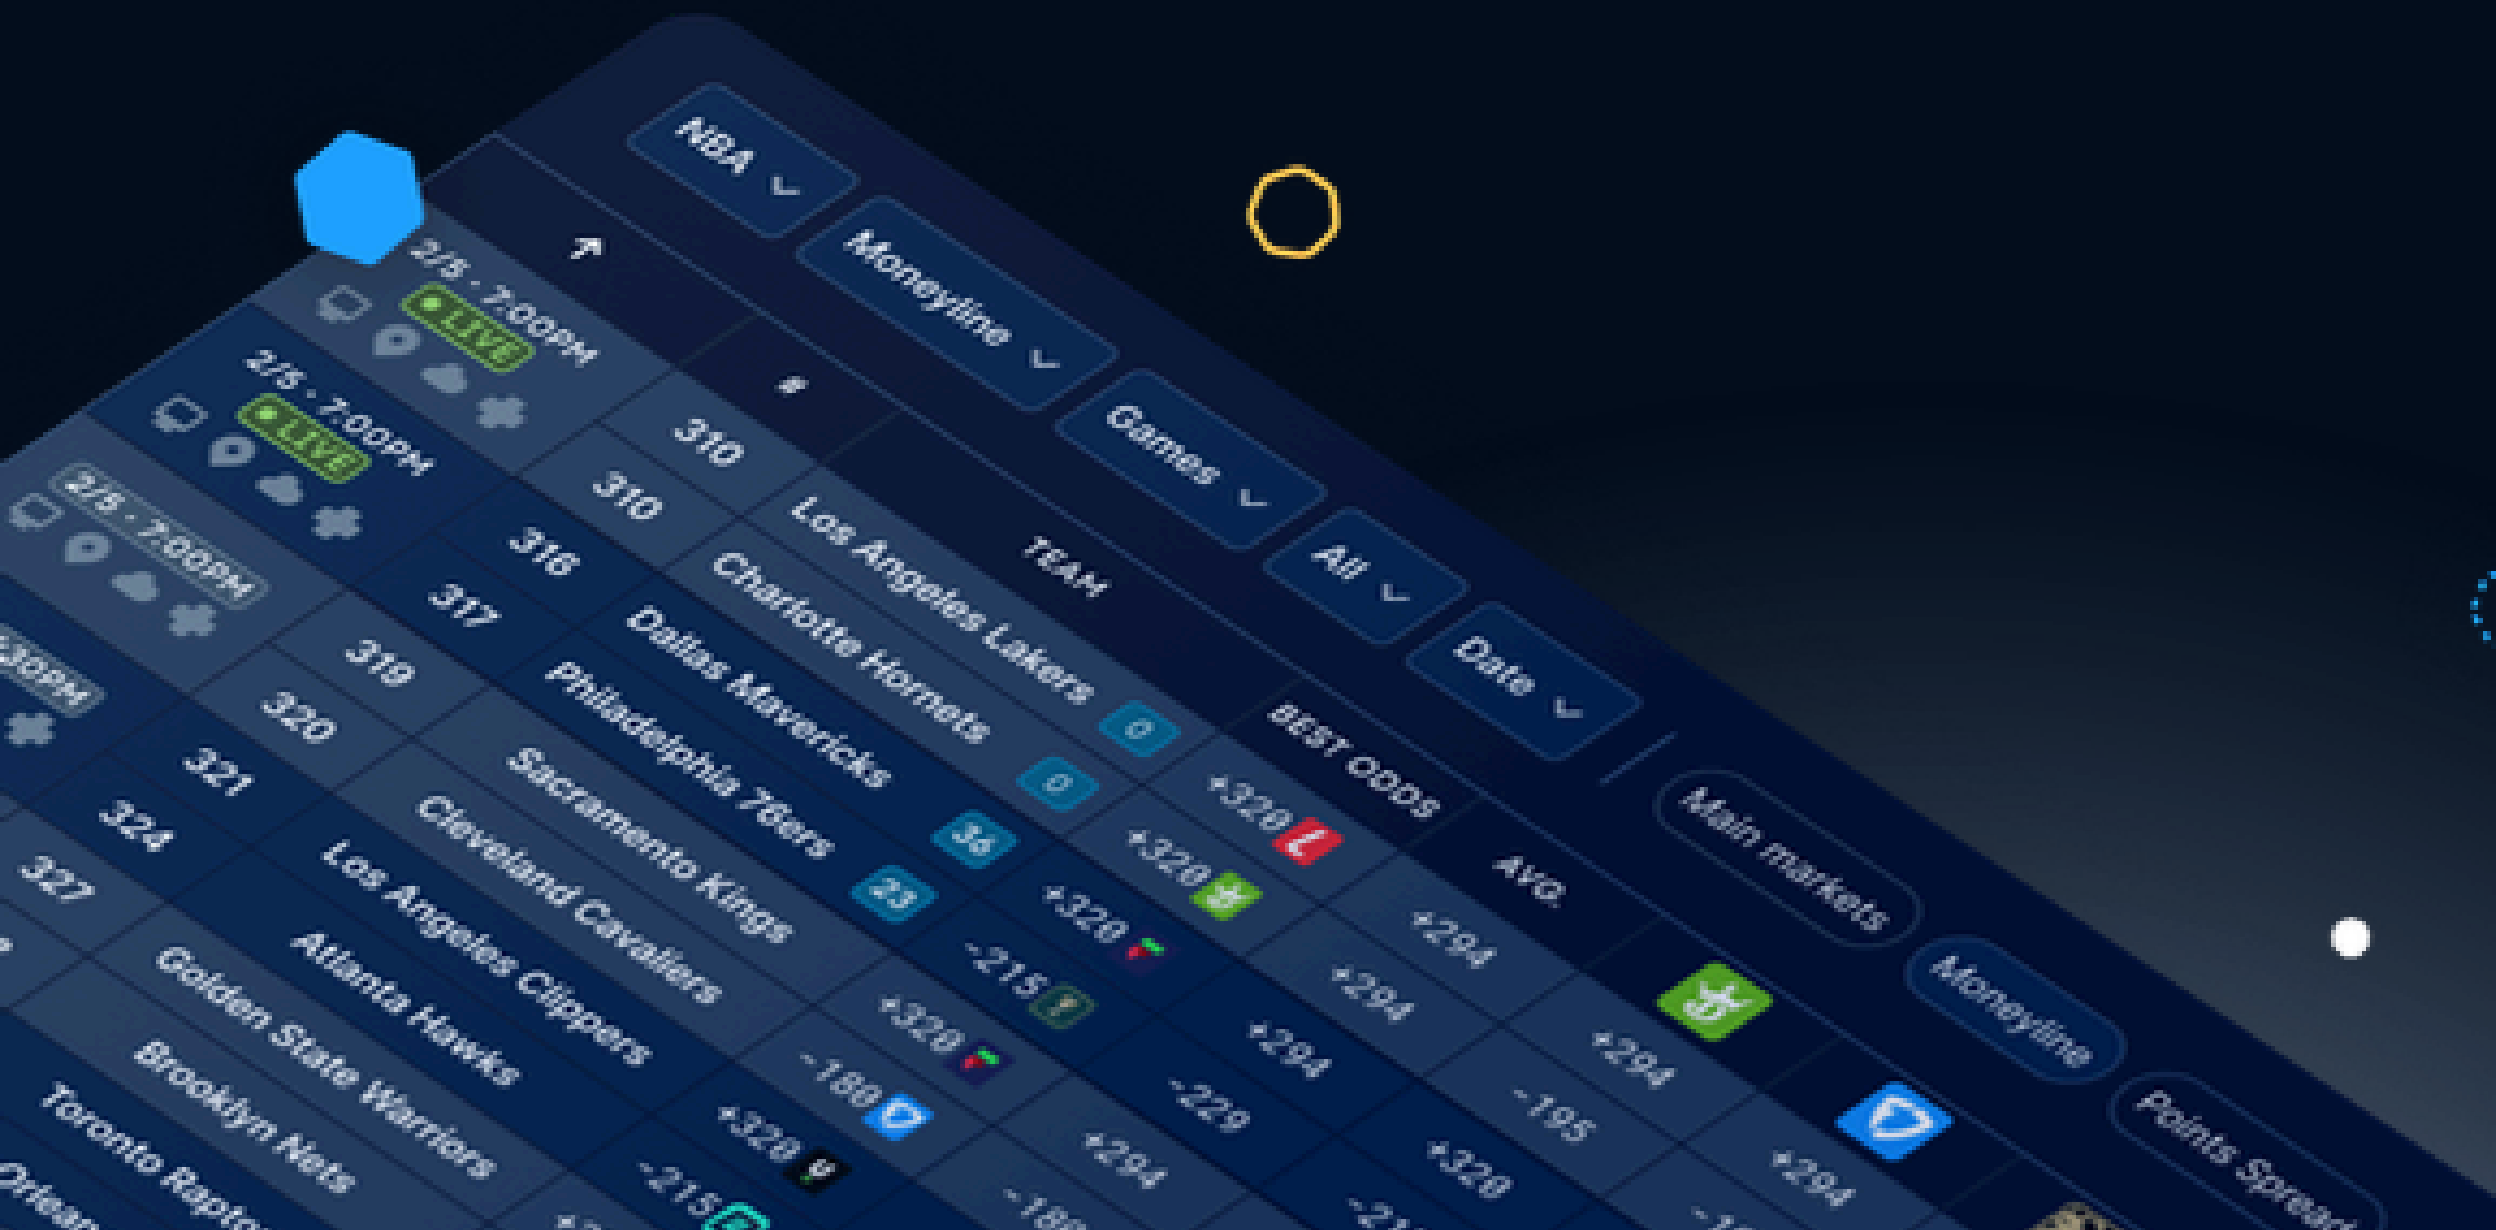

OpticOdds' Sports Betting API offers real-time betting odds from 100+ sportsbooks: player props, alternate markets, injury data, schedules, ranking, scores & more.
