*A Curated Afternoon
of Shopping & Wine
Benefiting Free Arts
Los Angeles*

A partnership worth toasting

Design & Wine brings together a curated collection of boutiques and artisan brands for a day of shopping, exceptional wine, and community in support of Free Arts Los Angeles. Guests are invited to discover something new, meet the people behind the brands, and shop with purpose, all while supporting art programs for children across Los Angeles County.

As a Featured Boutique Partner, you'll become part of an exceptional experience alongside **Kendra Scott**, our Signature Boutique Partner, and a curated wine tasting hosted by **Styler Wines**. Introduce your brand to an engaged audience, create meaningful connections with new customers, and join a community of businesses supporting the work of Free Arts Los Angeles.

What your support makes possible

Founded in 1977, Free Arts Los Angeles has transformed the lives of children through the healing power of art for 49 years. Through 32 community partnerships, we serve approximately 16,000 children annually by providing trauma-informed, curriculum-based art programs to children who have experienced abuse, neglect, homelessness, judicial system involvement, serious illness, and other forms of adversity. We also bring high-quality art programs to communities with limited access to the arts, helping children build resilience, confidence, creativity, and hope.

By partnering with Free Arts Los Angeles, you are helping ensure these life-changing programs continue to inspire the next generation of children and families across Los Angeles County.
