CASE STUDY

ASPECT HOMES

LOCATION: LAS VEGAS, NV **INDUSTRY:** PROPERTY MANAGEMENT

Aspect Homes is a residential development company in Nevada that specializes in infill developments. They had struggled with thefts at their sites, which caused delays and cost thousands of dollars.

CHALLENGES

- Monitor construction sites
- Prevent theft of materials and tools
- Easily and quickly add security with minimal construction

*"It was very effective.
I've had no theft and
I know most buildings
in the area are
experiencing theft."*

—**MICKEY STRATTON**

Aspect Homes Founder

RESULTS

ZERO THEFTS

at development sites
that have an LVT Unit

SAVE MORE THAN \$10K/MONTH

by using LVT instead of guards
and other security measures

50%

DECREASE

in unwelcome behavior
(trespassing, intoxication, etc.)
