

LVT

SETTING THE TONE IN YOUR CITY

As a community leader, we know you are constantly looking for ways to demonstrate smart, impactful decisions with taxpayer dollars. Implementing LVT® mobile security units not only keeps communities safer but also provides a strong public narrative and shows that decisive actions are being taken against crime.

BOOST PUBLIC SAFETY AND ELEVATE YOUR REPUTATION

LVT mobile security units are being deployed in high-crime areas of San Francisco in an effort to decrease drug dealing, burglaries, prostitution, and other crimes. The leaders in San Francisco received high praise for their decisive action using LVT Units to fight crime in their city.

“These new cameras send one more message to those who would come to San Francisco to engage in crime—you will be identified, arrested and prosecuted.”

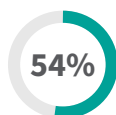

—District Attorney **BROOKE JENKINS**
