

POWER GENERATION SITES

- » MONITOR REMOTE, UNSTAFFED SITES
- » ACTIVELY DETECT AND DETER VIA ALERT RESPONSE
- » PREVENT VANDALISM AND MATERIAL THEFT
- » ENSURE PERIMETER PROTECTION
- » SECURE LONG-TERM PROJECTS
- » RAPID DEPLOYMENT FOR EMERGENCIES
- » AUGMENT SECURITY GUARD EFFORTS; DECREASE GUARD SPEND
- » COMPLETE UNIT COVERAGE: DATA, MAINTENANCE, SUPPORT, AND DAMAGE PROTECTION

“When people see [an LVT Unit], they know they’re not supposed to be there. But also, it helps us. Because now we get alerted and our guards know when something’s happening. And if there’s an issue, we can have law enforcement take care of it.”

—MATT HOFFMAN

Security Project Manager, Snohomish County PUD

LVT VALUE AND IMPACT

decrease in trespassing

reduction in property crime

\$400K

in annual savings by reducing guard spend
