

SITE AWARENESS FOCUSED MSU

A COST-EFFECTIVE OPTION FOR SITES THAT NEED MORE THAN JUST A CAMERA.

When you need increased visibility on a site, deploy our Essentials MSU. It offers a visible deterrent with strobes, four cameras in one housing for maximum site coverage, and an attractive \$1,000 per month cost. Ensure you have situational awareness with an NDAA-compliant, infrastructure-independent solution backed by the same service and support trusted by enterprise operators across the country.

This is a limited time offer with limited units available.
Contact your LVT representative today.
