HEALTH & WELLNESS**

ABOUT CAMPBELL & CO.

Founded in 1984 in the heart of London, Ontario, **Campbell & Co. Insurance Consultants** began as a humble one-person operation and has grown into a trusted mid-sized firm operating coast-to-coast.

We specialize in supporting International students, temporary foreign workers and non-Canadians visiting, working or settling into Canada. **Our health insurance & wellness services are designed to support individuals arriving to Canada alone or with family members.**

Our team includes people from different countries who have studied or worked in Canada and use their insight and expertise everyday to build programs and services that help reduce barriers for other newcomers. we pride ourselves on our flexibility.

At Campbell & Co., we don't just provide insurance—we build relationships. We care about you and your family and providing you with the tools & resources that help you thrive during your time in Canada, no matter how long or short your time in the country may be.

IMPORTANT CANADIAN RESOURCES

Canada offers many resources for individuals that are there to help support you as you live and work in the country.

Settlement & Newcomer Centres

Many cities and communities have these organizations that provide services to people and families just like you who need advice or help settling into a new place. They are easy to find with a simple google search.

Employment Services

Employment centres help individuals with resume building, job searching and often offer skills and training support as well. Google employment services in your area to learn more.

Shelters

If you are facing homelessness or are trying to escape abuse, cities have organizations that help provide safe shelter. Google shelters in your area to learn more.

Important Canadian Resources

Important Hotlines

These hotlines provide free, confidential advice if you or someone you know is struggling.

Kids Help Phone

1 (800) 668 6868 or

Text: CONNECT to 686868

Kids Help Phone is Canada's only national 24-hour, bilingual and anonymous phone counselling, web counselling and referral service for children and youth. Our service is completely anonymous and confidential.
