VENDOR QUESTIONS DUE: August 5, 2026

GRTC TO POST ANSWERS PUBLICLY: August 7, 2026

IF APPLICABLE, ADDENDUM #: 2

- 1Q May an offeror submit a quotation for the hardware and software components only, without including the optional vehicle installation services?
- 1A Yes. Please see 'Project Narrative' on page 4, "Physical installation of rugged category equipment shall be an optional bid item."
- 2Q If so, will GRTC evaluate line items independently and make multiple awards where it is in the agency's best interest?
- 2A Yes. Please see section 'In Scope' in the 'Scope of Work' section on page 4, "There is no minimum order for this contract and multiple awards may result in order to fulfill this Scope of Work."
- 3Q Are equivalent products from other Tier-1 OEM manufacturers acceptable provided they meet or exceed the stated minimum specifications?
- 3A Yes. Please see section 'In Scope' in the 'Scope of Work' section on page 4, "The Contractor shall provide the following products that are equivalent or exceed the following minimum specifications:"
- 4Q For the rugged laptops I just wanted to confirm the 64GB memory requirement for those units.
- 4A Yes, we have specified 64GB RAM for the Rugged laptops
- 5Q And on the NUC, I see the requirement for those being 1GB, should that have been 16GB?
- 5A Yes, that was a typo in the RFQ. 16GB is the correct specification
- 6Q Can you please provide us the proper WEB SITE LINK or PDF document to participate in this TECHNOLOGY RELATED requirement, and how to become added as a vendor for any future TECHNOLOGY related demands for your organization kindly?
- Our posted locations are free for potential suppliers. One location is easiest and does not require supplier registration.
