

PK BOXED BELT PROGRAM

Tyson Foods plants across all divisions have adopted Intralox FoodSafe solutions to protect their plants and improve productivity. The partnership between Tyson and Intralox, outlined in our Supplier Agreement, includes substantial discounts on frequently used belting through the Boxed Belt Program:

- Flat volume-based pricing with an additional trade discount on the most frequently used belting at Tyson Foods: S800 and S1800 boxed belt inventories in North America
- Boxed Belts come pre-boxed in standard lengths
- Same-day shipping and no expedite fees when order is placed by 3 pm CST
