

HOW TO ACCESS YOUR TICKETS

Your tickets live in the **Fanatics App** — update to the latest version so the **Fanatics Fest Hub** appears, then follow the five steps below. Download the Fanatics App [here](#).

1. OPEN THE HUB

On the **Trending** tab, tap the **Fanatics Fest Hub Is Live** tile.

2. SELECT MY TICKETS

In the Hub, select **My Tickets**.

3. SELECT ACCESS TICKETS

Tap **Access Your Fanatics Fest Tickets**.

4. VIEW QR CODE

Tap **Print / View Tickets** for your QR.

5. SAVE TO WALLET

Add to **Apple** or **Google Wallet**.

★ Photo & Auto Tickets

Photo & Auto tickets are not accessible in the Hub — you will use the **QR Code from your Epic email confirmation to check-in**.

✈ International Fans

The Fanatics App will be available once you arrive in the U.S. and can connect to a U.S. App Store. To download the app, you'll need to change your App Store region to the United States or create a separate US-based Apple ID. Please note that changing your App Store region requires a valid U.S. payment method.

🔄 Update the App

Already have the Fanatics App? Make sure it's the latest version so the Fanatics Fest Hub appears.
