

Scale your Design Team in days

Stop losing money on empty UX seats and bad hires

Hiring UX and Digital Designers is now as challenging as finding developers. While your HR spends weeks screening generic portfolios, you lose money, agility, and project momentum. **We filter the noise so you only meet the top 1%.**

The Deeploy Solution

15 Days

Average time to deliver a highly accurate shortlist of 3-5 pre-vetted candidates.

3 %

Incredibly low turnover rate due to our deep cultural and technical matching.

0 Bureaucracy

Hire global, pay local. We handle all the international compliance.

Global and flexible hiring models for your current runway

Outsourcing (Staff Augmentation)

On-demand designers for short or long-term needs. Ongoing performance and motivations support. Seamless turnover replacement if needed.

Fixed hourly or monthly rate

Headhunting (To hire directly)

For FTE and long term hirings to your in-house team. We find, assess, and select the right designers with up to a 90-day replacement warranty.

15% over annual gross salary

Projects (Webflow as a Service)

As Webflow Certified Partner our internal elite squad delivers end-to-end web projects, landing pages and hot sites in a matter of days.

Investment per project or monthly fee
