

We're recruiting!

Retreat and hospitality centre team members (Residential – married couple)

Do you love to serve people using the gifts of hospitality and practical loving care?

At Quiet Waters Christian Retreat House, on the Norfolk / Suffolk border, we provide a friendly guest house experience for those seeking time to rest, think and pray. Our guests find this quiet and safe environment enables and encourages the personal freedom to experience God's love and peace. We also have a Creative Space in our 'log cabin' in the woods to enable guests to tap into their creativity.

We are seeking a married couple to join our existing residential team as soon as possible.

First and foremost, we want Christian staff who are passionate about what we do at Quiet Waters in serving God and our guests. We will use your gifting whether it's cooking, hospitality, leading devotions, offering a listening ear, cleaning, administration, communications / social media, property maintenance, gardening, creative arts or more!

We offer comfortable cottage accommodation on site. Our team also consists of a residential married couple, a part time housekeeper and part time gardener.

For further details including a job description, or to have an initial informal conversation please contact the Chair of Trustees, Paul Dunning on chair@quietwaters.org.uk
