We are seeking to employ a part-time gardener.

The focus of the role is maintaining the garden at the front of the property so that guests and visitors have a great first impression as they arrive. There are a range of flower beds to weed and tend, and seasonal jobs such as cut back shrubs, dead hedging, clearing up leaves, planting new flowers, mowing the lawn and watering thirsty plants!

At Quiet Waters Christian Retreat House, we provide an opportunity for Christians from all walks of life to seek God in a quiet and safe environment that enables and encourages the personal freedom to experience God's love and peace.

Our aim is to provide a friendly guest house experience warmly welcoming and lovingly serving our guests. This includes providing wholesome home-cooked meals, a comfortable home to relax in and *beautiful grounds to explore*.
