MEDALLION HOME

**WORKING WITH OUR
BROKERS & REALTORS!**
SEE ALL THE WAYS WE
MAKE YOUR JOB EASIER

- ⇒ We pay commissions on every sale. Unlike other builders that cut commissions when the market was hot, we kept ours at 3%.
- ⇒ We have years of experience working with brokers & Realtors, creating strong and enjoyable relationships.
- ⇒ We invite you to host your meetings in our models; includes a presentation about the community and Medallion Home.
- ⇒ We have a library of videos/photography of our homes & communities and will provide them at your request.

**We ask that all usage of videos/photography be approved by Medallion Home. May not include pricing.*
