

NATIONAL DAY *of* CLEAN

Sometimes the smallest acts make the biggest difference.

Join us **March 19** for the first annual National Day of Clean
- a nationwide moment to come together to clean the
spaces that matter to us. Because Clean Feels Good. And
does good, too!

People across the country are
showing up for the spaces we
share – classrooms, neighborhoods
and community spaces.

It's a day that celebrates cleaning
as an act that supports dignity,
connection and community pride.

When spaces are clean and cared
for, people feel better, more
supported and more connected to
where life happens every day.

ANYONE CAN PARTICIPATE!

From students to teachers
Coaches to bus drivers
Caregivers to shop owners
Anyone who wants to show care for a shared space!

IT'S ABOUT DOING SOMETHING – TOGETHER.

Tidy a classroom
Refresh a shared space
Support a school or community organization
Turn everyday cleaning into an act of service!

Dr. Martin Luther King's vision of a beloved community to life in a new
