

# School Of Education and Professional Experience Program Calendar

NOTE: The professional experience blocks are based on the QLD school year and public holidays. When blocks do not align with other States/Territories, necessary adjustments will be made for initial teacher education students undertaking PEP in those jurisdictions to align with the relevant school terms. Where public holidays fall within a block period, they must normally be made either before or after the block. A pre-block orientation day counts as a professional experience day.
