John Hancock

What if the cure for cancer is in the tip of a needle?

Since she immigrated to the US to fight cancer, Dr. Azra Raza has championed a new approach to research that seeks to prevent the first cancer cell instead of trying to eliminate the last. Meet your new favorite hero in this [fifth episode of Leaders in Longevity](#).

Lincoln Financial Group

A penny saved is a penny earned...but can it be something even bigger?

With the [1 Year S&P 500 Performance Triggered account](#) in a Lincoln fixed indexed annuity, clients won't ever lose a penny. Better yet, if the S&P 500 Index were flat or even up a penny, they would get the full performance trigger rate!

New paperless options for life insurance clients

Paperless options have been expanded to include billing notifications, confirmations, letters, payment notifications, and statements for individual life insurance policy owners with a registered online account! The best part? A new Global Toggle allows policy owners to opt into paperless delivery for ALL documents. [Read more.](#)

MassMutual

Reimagined Business Overhead Expense (BOE) disability insurance policy

MassMutual's reimagined [Business Overhead Expense \(BOE\) disability insurance policy](#) comes with significantly improved pricing and enhanced features that make protection more accessible and more relevant for small business owners. More than a price adjustment, it's a value shift that delivers more of what owners need to help keep their lights on and their doors open.

Mutual / United of Omaha

Ultra Advantage fixed indexed annuities – [See the rates](#) effective December 1st.

Fixed annuities – [See the rates](#) effective December 1st.

OneAmerica

eDelivery Consent form is now live

OneAmerica has updated how applicants opt in to receive documents electronically. To ensure compliance with current laws and regulations, a signed Voluntary Electronic Opt-in Consent and Disclosure form must now accompany submissions across all products and states when applicants choose eDelivery. [Read the announcement](#), including how to access the form.

Flex is now live in AZ, DE, ND, SC and SD

Flex is transforming the underwriting process for the Asset Care product - and helping to meet clients' needs faster. See the [Flex Tips](#). Visit the [Flex Resource Page](#).

Asset Care enhancements debut in DE, ND, SC, SD – [Read the announcement](#).
