

Symetra's Super Preferred Upgrade Program: Extended through July 1

Are your clients ready for an upgrade?

Give your clients the underwriting boost they deserve with our **Super Preferred Upgrade Program—now available through July 1!**

If clients qualify for a Preferred Non-Nicotine rating on Accumulator Ascent IUL cases, we'll automatically bump them up to Super Preferred to bring their overall insurance premiums down even further.

Program details

- Eligible clients are age 60 (age nearest) or younger who qualify for non-nicotine rates and apply for up to \$5 million of [Symetra Accumulator Ascent IUL](#).^{1,2}

- The program is available with accelerated and fully underwritten cases.
- No special requirements. Simply submit the business as you normally would and our underwriters will do the rest.
