Goodbye eternity guide

Activating Choice Hints in Goodbye Eternity and Unlocking Scenes and Paths While playing the game, click on the Settings button then go to Preferences. Check the option on the right labeled "Choice Hints" to receive guidance on the next steps and paths to take. The Yasuka Route involves making certain choices; "Maybe it's a good idea!" "I don't think it's a good idea." "Uh... isn't that kind of a se... profession?" In the Noriko Route, options lead to two different scenes: "In your dreams, Noriko!" (Starts Mas scene route) "Go F*ck yourself, Noriko!" (Starts B scene route) For Akira Route, choose wisely as certain decisions can be made in various ways. Macumba Route gives the option for "I think I'm a little old for that, but thanks for the offer." The Noriko (Mas Route) path involves making choices such as "Negotiate" and "Intimidating". In Chiaki Route, options can unlock different paths. Asami Route provides decisions which may or may not be fully understood by the developers yet. You've always followed the same route in games and start anew when you're ready to explore another path.Yasuka's offer might seem intriguing, but I'm not convinced it's a good idea.Noriko seems to be having some sort of surreal dream.Maybe she's exploring a different path or something. It appears that this new route could lead to some intense moments with Mas and Noriko. If you want to pursue this further, go ahead. Otherwise, it might get weird.Yasuka's proposal is now unlocked, allowing you to continue the story. You'll have to make some tough choices along the way. To progress, turn off your WiFi and access Noriko's computer. She wants you to keep her secret about a certain MP3 player. Be careful what you say to Saito, as it could impact your relationship with Noriko. Visit Macumba at the park, but be warned: it might get complicated. Chiaki promises that this will all work out in the end.
